The Urbana School Health Center (USHC) consists of a partnership of local agencies dedicated to the health and well being of children. Services provided at USHC are available to ALL students of the Urbana School District. Services are available during the child's school day, allowing for consistent, convenient, carefree medical, dental, and mental health services - from routine exams and procedures to acute care issues stemming from injuries or chronic disease conditions to counseling and wellness programs - USHC's community care approach ensures children the best care possible - away from home.

There are currently 3223 students enrolled in the program, 60% of the Urbana School District

Special Events

Advocacy Day April 9th

On April 9, 2008 over 220 students, teachers, parents, providers, and Illinois Coalition for School Health Center members and partners from 17 different schools gathered in Springfield to voice their support for school health centers. Nearly 190 students from across the state participated in an advocacy training, a rally, and a trip to the Capitol to speak with their legislators about school health center funding. The Urbana School Health Center organized 12 people to attend Advocacy Day. The students were able to both meet and take pictures with Senator Frerichs and Representative Jakobsson.

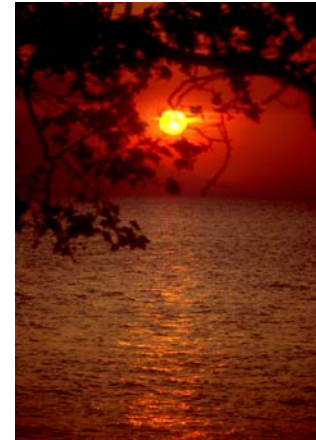

Health Fair at Urbana High School April 25th

On April 25th the Urbana School Health Center organized a Health Fair for students at the High School. Community organizations and vendors came out to share and educate with the students such as the U of I Extension Office, Urbana Police Department, and Rape Crisis.

Adult Prevention & Management of Disease

The adult immunization program serves adults over 18 years for routine, educational requirements, accidents and travel immunizations using scheduled appointments. During this time blood pressure checks and casual blood glucose checks are available for walk-in clients.

The CUPHD Diabetes Program is funded in part by the Illinois Diabetes Prevention and Control Program (IDPCP) with a grant from the Center for Disease Control .In cooperation with U of I Extension Services a bimonthly newsletter is sent out to person with pre-diabetes or diabetes who have enrolled in the diabetes program. The statistics from their enrollment and yearly reviews help to form the picture of diabetes care in Champaign County, the state and the nation.

IDPCP Enrollment /Reviews 2

Special Events

Health Fair /Events:

There were 4 health fairs we participated in with a total of 707 attending. We attended the Special Populations Health Fair at the University and completed 133 cholesterol screenings

Diabetes Outreach meetings

(2) took place at Round Barn Senior Hi-Rise and Washington Square with 17 people in attendance. Themes for discussion were Quick Milkshake, food satisfaction and mouth feel with substitute ingredients, Anti inflammatory nature of statins and strong reasons for using with persons diagnosed with diabetes especially over age 40, Carbohydrate counting with the effects of amounts and individual blood glucose.

Two special sessions were held with a U of I master's student researching personal experiences with low blood glucose. 5 people attended at Rd Barn and 6 attended at Washington Square.

Community Home Nursing Program offers a skilled nurses assessment and disease management for patients with Diabetes, Hypertension, Coronary Artery Disease, Glaucoma, Cancer, Pain Management, Nutritional, Medication Management and Client Centered education related to disease processes and management.

54 home visits were completed by a Registered Nurse

Tobacco Programs

Project TNT is a 10 session program delivered in 5th grade classes. This program is different from most tobacco education curriculums in that it focuses on changing normative beliefs about the prevalence of tobacco use. Further, instead of just giving participants reasons not to use tobacco, it equips participants with decision-making skills as well as effective communication skills.

County	# of times presented (Count complete programs, not sessions)	0	Total # of people served	0

Reproductive Health- Age-appropriate sexual health programs are provided by our health educators, topics include puberty, self-image, sexually transmitted infection, and contraception.

CU	# of times presented (Count complete programs, not sessions)	7	Total # of people served	130
County	# of times presented (Count complete programs, not sessions)	0	Total # of people served	0

Health Educators assisted with the Child Safety Seat Inspection Station, a program run through our Division of Maternal and Child Health
Health Promotion team members assisted 7 times in the month of April

CATCH Programs Lucky Tray Day is offered to our partner CATCH schools. We send CUPHD staff, interns, and volunteers to schools at lunch. If the students are eating their GO foods, they get a raffle ticket. At the end of the day 3 students are selected to win prizes.

Fitness Fridays/Moving Mondays are days that our CATCH schools ask students to move when told over the intercom. We also offer structured physical activities at recess.

Schools currently participating in CATCH are:

	# of students
Dr. Howard Elementary, Champaign	488
Thomasboro Elementary, Thomasboro	202
Unity West Elementary, Tolono	410

SPECIAL EVENTS

We spoke with a University of Illinois Community Health class on health planning, 60 people attended.

All the students who participated in the Principal's Crunch Challenge at Unity West, a CATCH school, played Dance, Dance Revolution, and made a healthy snack. 87 students participated.

All the best students' posters from a poster activity at Dr. Howard, a CATCH school, received lunch from Subway.

Kick Butts Day, April 2nd, Rantoul- The REALITY, IL youth in Rantoul had a Walk-out during home room, where they made signs and educated the public about the dangers of tobacco 75 people were served.

Moonwalk Kick-Off, April 3rd, We had a table and 100 people attended

HR conference, April 8th, 137 people attended

Urbana High School Health Fair, April 25th, 202 students attended

Family and Community Health Fair, April 28th, Douglass Center, 40 people attended

The CUPHD mobile unit brings vital health services to people in their own neighborhoods. The CUPHD mobile provides health screenings, education and access to other CUPHD health programs. Referrals into other community health service organizations are also a high priority.

Champaign Urbana Public Health District's (CUPHD) Vision Cooperative offers eye exams and eye glasses to people who have Illinois Public Aid as their insurance. CUPHD Vision Cooperative staff act as the gatekeeper to a coalition of area optometrists and an ophthalmologist who have offered to be a part of this great program. By calling the Lens Line (217-531-5367) a person can receive access to an eye exam by one of the participating licensed eye professional provider and access to the CUPHD eye glass program.

Once a person receives an eye exam and a prescription for eye glasses, the Vision Cooperative schedules the person for eye glass fitting and selection. CUPHD has a wide selection of 49 different eye glass frames that are available in different colors. CUPHD Vision Cooperative is able to bill Illinois Public Aid for the eye glasses and lenses; therefore there is no cost to the client for the eye glass frames and lenses.

Illinois Breast and Cervical Cancer (IBCCP) contracts with local medical providers to provide free breast and cervical cancer screening for Illinois women ages 35-64 with no health insurance, Medicaid, or Medicare part B. The CUPHD IBCCP serves women from Champaign, McLean and Vermilion Counties. CUPHD IBCCP provides community outreach as well as educational materials and presentations throughout our service area to encourage all women to have their annual screenings done and to seek new client enrollment in order to provide uninsured screenings for women who would otherwise have no access to these services. Approximately 40% of the screening tests yield abnormal results requiring IBCCP medical case management and diagnostics services. While women under the age of 35 are not eligible for screening through this program, they may be eligible for medically indicated diagnostic services if referred by their medical provider. If diagnosed, eligible women are transferred into Medicaid for cancer treatment.
