

**DIVISION OF MATERNAL AND CHILD HEALTH
MANAGEMENT -- Monthly Report
January, 2009**

FluMist Clinic:

CUPHD held its first collaborative FluMist, live attenuated influenza vaccine clinic with Unit 4 School District at Stratton Elementary. Approximately 80 eligible children were vaccinated on November 24. Second doses will be given to necessary children after 1 month from the initial dose.

WIC*:

2912 CU Caseload (67.5%)* 1402 County Caseload (32.5%)*
79 CU blood draws for lead 33 County blood draws for lead
684 total certifications
17,894 total food vouchers issued for the month
1,814 client issued food vouchers for the month

Nutrition assessment, counseling and supplemental food coupons for "at-risk" pregnant and post-partum women, infants and children up to age 5.

IDPH lead grant draws completed on WIC clients at age 1 and 2 ½ and sent to State lab for assessment.

Teen Parent Services:

81 Teens in CU caseload 39 Teens in County caseload

The Teen Parent Services program helps pregnant and parenting teens get their high school diploma or GED certificate. We help clients access childcare, assist with transportation costs and other school and work-related expenses as well as personal and medical needs.

HealthWorks*:

335 CU Foster Children Served 135 County Foster Children Served

HealthWorks of Illinois is a collaborative effort of the Department of Children and Family Services (DCFS), the Department of Human Services (DHS) and Public Health. The program provides a network of health care services to wards of DCFS and their children. Public Health in Champaign County serves as the Lead Agency for Champaign, Ford and Iroquois Counties.

HealthWorks also provides advocacy and referrals to pregnant DCFS wards and their children. We work closely with foster parents and caseworkers to ensure that those in foster care receive appropriate medical care.

Family Case Management*:

1713 CU caseload (71.0%)	700 County caseload (29.0%)
23 CU home visits made	10 County home visits made
498 CU clinic visits done	204 County clinic visits done
34 CU pregnancy tests done**	14 County pregnancy tests done**
37 CU clients served for carseats	26 County clients served for carseats
33 CU genetics assessments**	14 County genetics assessments**
138 CU developmental screenings**	56 County develop. screenings**
60 CU postpartum depr. Screenings**	24 County PP depr. screenings**

Preventive care, developmental testing, immunizations, referrals and follow-up for pregnant women and children who meet income guidelines. Home visits are attempted for completion once during pregnancy and once during postpartum period. Carseat program is in collaboration with Safe Kids of Champaign County. IDPH genetics grant provides funding for prenatal genetic screening. Denver II and Ages and Stages standardized developmental screenings are used and Edinburgh tool used for postpartum depression screenings.

For information and facts newborn screening from the National Library of Medicine [English](#) and [Spanish](#). They also have a [text version](#) in PDF format.

Vaccines for Children Program:

127 Vaccinations Given Countywide:

We provide immunizations to kids through the federal Vaccines for Children (VFC) program. There is no cost for this vaccine and only a small administrative fee for each dose, billable to Medicaid.

Any child who lives in Champaign County AND who is a Native American or a Native Alaskan, OR is uninsured, OR has a valid Medicaid card, OR has insurance that does not fully cover the cost of vaccination is eligible for vaccine. Underinsured children are eligible through an agreement with Frances Nelson Health Center

Urbana School-Based Health Clinic:

5: students received nutrition counseling from WIC nutritionist.

A Registered Dietitian is present onsite one half-day per week to provide nutrition counseling services to those clients who access the school-based health center.

Cooperative Extension Service classes in Rantoul for WIC:

56 clients seen in Rantoul

72 clients seen in Champaign

An agreement with the Extension office to provide classes to WIC-registered clients.

Collaboration with Parent Wonders in Rantoul:

An agreement with the Parent Wonders program to come onsite in the Rantoul office and provide support and parenting/child interaction skills education to staff that are participating in WIC services.

33 parents seen

-- 29 families

-- 18 kids under 3

-- 7 kids over 3

-- 13 previous contacts

-- 16 new contacts

Wards Current with Their Immunizations in Healthworks

96.2% for all wards for Q1 FY09

Wards Current with Their EPSDT Visits in Healthworks

95.0% for all wards for Q1 FY09

* Maternal and Child Health Management caseload percentages are tabulated monthly from Cornerstone via an active participant report by location code, denoting C/U client or County client. Individual service data are compiled as a total and the caseload percentages are used to extrapolate data to C/U service numbers and County service numbers.

** These data estimated and based on a 10 day monthly service study. The data is reported based on 20 working days in the month.

*** The process for collecting and reporting this data changed during this quarter.

Outcome data is available as provided by the State through the Cornerstone software program
