CUPHD Dental Program

Champaign-Urbana Public Health District's Champaign Dental Clinic provides a Dental Home for children with All Kids who are residents of Champaign or Urbana. Appointments are available Monday - Friday, 8am - 4pm with Emergency and Urgent Care appointments also available. Parents are encouraged to schedule dental visits after their child's first birthday.

The clinic is staffed by a dentist and 2 hygienists however, beginning February 1st the patient case load required that we increase to 2 dentists on Tuesdays and Thursdays.

Champaign Visits	CU	Co.
New Patient	35	1
Visits by Patients of Record	305	1
Total Patient Visits	340	

Number of Days Clinic Open **19.5**

Urbana School Health Center Dental Program

Urbana School Health Center dental program sees children age 3-18 who are students in Urbana schools. Services include: cleanings, fluoride, x-rays, sealants, restorative care, and simple extractions. We see patients by appointment Monday through Friday, 8 a.m. to 4 p.m. Please call 217-239-4220 for an appointment.

Urbana Visits	
New Patient	8
Visits by Patients of Record	12
Total Patient Visits	120

Number of Days Clinic Open **17.25**

Oral Surgery

One Saturday morning each month a local Oral Surgery Resident performs difficult extractions for children who are referred by CUPHD general dentists. The clinic utilizes volunteer dental and pre-dental students for infection control, instrument processing, post-op instructions, and clinic flow. Only local anesthetic is utilized, no anesthesia services are available.

Oral Surgery Residents:

Cole Anderson, DMD January 2011 - May 2012

Blake Kitamura, DMD March 2012 - Present

January: No Resident Available

February 18th: 6 patients

March 24th: 2 patients

April 21st: 3 patients

May: No Resident Available

Adult Immunization

Adult Immunization Program

Serves adults over 18 years for routine, educational requirements, accidents and travel immunizations using scheduled appointments.

Immunizations	C-U	Co	Other

Typhoid	5	1	1
Varicella /chickenpox	1	1	
Flu/Pneumonia	1	1	
Total Immunizations for	27	10	6

43

Adult and Travel vaccines are available Monday & Wednesdays by appointment. Call 531-2922 –Ask for Theresa

Health Promotion

Tobacco Programs

Smoke Free Illinois compliance

Education/enforcement program for Smoke Free Illinois. We handle all the complaints from the state for Champaign County as well as those from our website. We help businesses to comply with the laws, and report to the State's Attorney's if they do not.

CU	# of Complaints	0
County	# of Complaints	0

Break the Habit

Break the Habit is a partnership between the Illinois Tobacco Quitline and CUPHD. People interested in quitting can call the Quitline and get individual phone counseling from Addictions Specialists, and CUPHD issues nicotine patches based on what the Addictions Specialists suggest.

CU	Total # of people	6
County	Total # of people	1

Not Here

A tobacco sales compliance program. We notify all tobacco vendors that we will check for compliance. After we test the stores, we send congratulatory letters if they pass. We forward those who fail on to law enforcement, who does an official check for compliance. 3 times a year

CU	Checks	30	# of Sales	2
County	Checks	26	# of Sales	3

Freedom From Smoking

A 7-week, 8 session class that focuses on giving people who want to quit tools for success. Before the participants quit, they look at their habit, and reasons for wanting to be smoke-free, and develop an individual plan to quit. Patches are offered with this program.

CU	Total # of people	0
County	Total # of people	0

Tar Wars

A 3- session program delivered in 4th and 5th grade classes. This programs focus is on changing normative beliefs about the prevalence of tobacco use. Further, instead of giving participants reasons not to use tobacco, it equips participants with decision-making and effective communication skills. Through this program students get a chance to develop counter-marketing strategies.

Other Education Programs

Lucky Tray Day is offered to our partner CATCH schools. We send CUPHD staff, interns, and volunteers to schools at lunch. If the students are eating their GO foods, they get a raffle ticket. At the end of the day 3 students are selected to win prizes. Fitness Fridays/Moving Mondays are days that our CATCH schools ask students to move when told over the intercom. We also offer structured physical activities at recess.

Schools currently participating in CATCH are: # of students

Dr. Howard Elementary, Champaign	390
Thomasboro Elementary, Thomasboro	185
Unity West Elementary, Tolono	490
Fisher Grade School, Fisher	318
Carrie Busey	390

We are so excited to have another school partnering with C-UPHD to implement a Coordinated Approach to Child Health (CATCH). The teachers and staff at Booker T. Washington completed a 6.5 hour training to learn about CATCH and how it can help the students, staff and families at BTW. They spent a lot of time planning how they will implement the approach at their school to best fit their staff and families. They have a lot of healthy ideas and we are excited to support those efforts.

One of our other CATCH schools was very busy in May. The fifth grade classes hold a contest each year to see who get the most points for their CATCH homework. Ms. Berbaum's class won (again) this year. The students held a party playing Just Dance on the Wii. They also got fresh pineapple.

For Fun Day at Unity West, the parent volunteers served watermelon slices to the students, so they would have healthy and nourishing fuel for their big active day. During Fund Day, Nikki Hillier was presented with a plaque for the support of wellness initiatives on behalf of CUPHD.

Events

On May 3, we participated in a Bike Rodeo at St. Peters United Church of Christ. We had 20 kids and parents.

On May 9, to kick off their Safe Routes to School Project (that includes a Park and Walk at the Champaign-Urbana Public Health District), Stratton Elementary 5th graders walked up to the Public Health District in the morning and got their Pertussis vaccination to get ready for middle school. They planted strawberry plants in our community garden, while getting gardening education, thanks to Lisa Braddock of Sunshine Harvest Sharing. The students made windmills to mark their plants in the garden. They were so pretty many insisted on taking them home to Mom for Mother's Day. The students also received oral health education (including a dental health kit that included a 2-minute timer.) Finally, they challenged each other 3 at time playing Just Dance on the Wii. 18 students participated.

Champaign Urbana Public Health District's Vision & Hearing Screening Program

CUPHD employs a State Certified Auditory and Vision Technician to provide State mandated Hearing and Vision screenings to children enrolled in a Licensed Daycare, Preschool, or Private School in Champaign County. The Hearing and Vision Screening Program is funded through a IDPH Grant and Medicaid / All Kids Reimbursement.

Illinois Breast & Cervical Cancer Program (IBCCP)

IBCCP contracts with local medical providers to provide free breast and cervical cancer screening for Illinois women ages 35-64 with no health insurance, Medicaid, or Medicare part B. The CUPHD IBCCP serves women from Champaign, McLean and Vermilion Counties. CUPHD IBCCP provides community outreach as well as educational materials and presentations throughout our service area to encourage all women to have their annual screenings done and to seek new client enrollment in order to provide uninsured screenings for women who would otherwise have no access to these services. Approximately 40% of the screening tests yield abnormal results requiring IBCCP medical case management and diagnostics services. While women under the age of 35 are not eligible for screening through this program, they may be eligible for medically indicated diagnostic services if referred by their medical provider. If diagnosed, eligible women are transferred into Medicaid for cancer treatment.

	*Champaign-Urbana	*Champaign County	McLean County	Vermilion County	Total

May 2012

National Women's Health Week is the week beginning on Mother's Day each May. The proclamation from Gov. Quinn was distributed to local media and information was posted on the CUPHD web-site.

IBCCP had an information table at the CUPHD Employee Health Fair on May 18th. Breast Self Exam (BSE) was taught to 13 women.

*Champaign-Urbana indicates women residing in the city limits of Champaign and Urbana. Champaign Co. indicates women residing in Champaign County, but outside the city limits and Champaign and Urbana. These columns must be added together for the total number of Champaign County women served.

WISEWOMAN

ILLINOIS DEPARTMENT OF PUBLIC HEALTH

The mission of the IWP is to provide low-income, uninsured 40 – 64 year-old women with knowledge, skills, cardiovascular screenings, and opportunities to improve their diet, physical activity, and other life habits to prevent, delay, or control cardiovascular and other chronic diseases.

The Illinois WiseWoman Program (IWP) is a cardiovascular disease risk factor screening, intervention and evaluation program that is currently being implemented among women who participate in the Illinois Breast and Cervical Program.

	Champaign-Urbana	Champaign County	Vermilion County	Total
Number of active clients	208	109	5	322
New clients enrolled	7	4	0	11
Number of clients completing an integrated visit	35	12	0	47
# of LSI classes held				0
Average number of women attending LSI class				N/A

News

Following lipid, glucose, and blood pressure measurements, IWP participants can choose one of four lifestyle interventions that best suits their risks and motivations. Unique to the IWP is Level 3 Lifestyle Intervention, which consists of four fun dietary and physical activity sessions designed to empower Illinois WISEWOMAN Program participants to prevent, delay, and control cardiovascular and other chronic diseases.

The Spanish LSI-3 classes are scheduled for June 6, 13, 20, 27.
The English LSI-3 classes are scheduled for June 7, 14, 21, 28.
