Tobacco Programs

Smoke Free Illinois compliance

Education/enforcement program for Smoke Free Illinois. We handle all the complaints from the state for Champaign County as well as those from our website. We help businesses to comply with the laws, and report to the State's Attorney if they do not.

Break the Habit

We have transitioned Break the Habit to the Illinois Tobacco Quitline. People interested in quitting can call the Quitline and get individual phone counseling from Addiction Specialists. If interested call 866-QUIT-YES (866-784-8937).

Not Here

A tobacco sales compliance program. We notify all tobacco vendors that we will check for compliance with minimum age laws. After we test the stores, we send congratulatory letters if they pass, as well as notices of failure. This is in cooperation with local law enforcement. Vendors are checked for compliance 3 times per year.

Germ Busters

Events

Tara facilitated a smoke-free multi-unit housing presentation in Savoy: served 15 people.

Whitney completed Making Proud Choices! for Q1 at Jefferson Middle School: served 50 students.

Talia spoke at the CHLH intern fair at U of I: served 115 college-aged students.

Our interns Maria Climaco, Teliane Bakala, and Amanda Miesner presented Germ Busters at Chesterbrook Academy. the presentation included information about what germs are, how they are spread, and how to wash your hands properly. This was followed by a glow germ activity so the kids can see how many germs they come into contact with each and every day. The interns are scheduled to present Germ Busters again at Yankee Ridge Elementary on October 18. (See picture above.)
