## HEALTH PERMIT APPLICATION TIPS

- Your health permit will not be issued until you provide proof of at least one Certified Food Protection Manager (CFPM). This applies to Category 1 and 2 facilities only. Other food handlers will need to obtain Food Handler Certificates (FHC).
- Your health permit will not be issued until all information on the health permit application is provided. Most frequently omitted is the Illinois business tax number.
- To be sure that you have all of the necessary information, please contact the appropriate persons or agencies well in advance of completing your health permit application. For your convenience, contact information is listed below.
- Failure to provide complete information will result in the delay of your health permit. *This will delay the opening of your facility.*
