Board of Health
Champaign-Urbana Public Health District

Champaign-Urbana Public Health District (District) uses an “appropriation budget”. By statute we are required to budget the maximum amount that we could spend in FY23. A novel virus named COVID-19 impacted the entire world as a public health emergency in FY20-FY23 and continues to have an impact on Champaign-Urbana Public Health District (CUPHD), the employees and our community. Consequentially, it continues to have a direct impact on the creation of the FY 2023 budget.

So many things were changed in the way we operate, including a reduction in services due to social distancing, stopping services deemed “non-essential” by the Illinois Department of Public Health, creation of an Emergency Operations Center (EOC) and so forth. In FY22, we have begun to return to the “new normal”. The FY23 budget was created with the intent of encompassing our current circumstances, including a decreased funding for COVID-19 services. Significant changes are outlined as follows.

- The District and the County COVID grants are set to expire on December 31, 2022. We are anticipating additional COVID grants to assist with creating a workforce development plan. We anticipate the project for Budget Appropriation Only will cover these additional funds.
- Expenses for Building Improvements were increased with the anticipation of completing several small projects, including purchase of the solar panels for the roof and expansion of the sidewalk on Kenyon Road to Promise Healthcare.
- For additional details and other items of note, please refer to the “Budget Narrative” included later in this document.

We are emerging from the COVID-19 pandemic which continues to create uncertainty in our role as public health and the community. The FY2023 budget has a net deficit of \$1,447,400 with an anticipated ending fund balance of 34% versus our target of 25%.

Respectfully submitted,

Amanda Knight, CPA
Director of Finance

Secretary

Champaign-Urbana Public Health District
Fiscal Year 2023 Budget Narrative
For the Twelve Months Ended June 30, 2023

Budget Year

The FY23 budget is based upon a twelve-month period beginning July 1, 2022 and ending June 30, 2023.

Funds

There are five funds included in the FY 23 budget for Champaign-Urbana Public Health District (CUPHD). Those funds consist of the following:

General Fund – includes all other revenues and expenditures not accounted for in the other funds to pay for the programs, support and administration of CUPHD.

Illinois Municipal Retirement Fund (IMRF) – includes tax revenues levied, and other sources of revenues generated to cover expenditures associated specifically with IMRF only.

Audit Fund – includes tax revenues levied to cover the cost of the annual financial audit.

Insurance Fund – includes tax revenues levied and other funding sources to cover insurance expenditures.

Building/Capital Improvement Fund – established in FY 2013 for internal reporting of capital projects. Fund was created with a transfer from the General Fund in the budget. This fund is also to be funded with rental income received from renting office space at CUPHD. This fund will be utilized for planning for major capital improvements of maintaining the infrastructure of the facility.

2023 Budget Highlights

- Personnel expenditures – A salary adjustment of 4% is included in the expenditures for this budget cycle. This adjustment was not designated to be COLA or merit as we did not believe the budget in the next few years would sustain an increase at the current level. The cost of living adjustment (COLA) is based upon the consumer price index (CPI) All Urban Consumers - U.S. City Average Wage from the last time a COLA was issued. During the period of June 2021 through May 2022 the CPI increased 8.58%.
- Health Insurance – Our renewal rate for the plan year which begins July 2022 is similar to the previous year.
- Illinois Municipal Retirement Fund (IMRF) – The preliminary rate that will be in effect January 2023 will be 5.41% versus the 6.48% that is currently in effect for 2022.
- State Unemployment Insurance – The budget is based on a rate of 2.75% of the first \$12,960 in wages reported during the calendar year.

- Workers Compensation – Actual workers' compensation rates for CUPHD have remained stable from calendar year 2021 to 2022. The budgeted rates remain the same.
- All grant revenue was budgeted at flat-funding, unless there was a written contract in place or notification that the grant amount was to be modified. The only exception is the COVID-19 grants. Currently they are scheduled to end on December 31, 2022.
- Capital Outlay Building Improvements – The budget for this fund is \$1,447,400. This fund, as previously mentioned, is for internal reporting purposes only to facilitate better planning. The FY 2023 budget includes multiple projects such as flooring in the Maternal Child Health Division, remodeling of bathrooms and breakroom, addition of solar panels to the roof, and a sidewalk expansion along Kenyon Road to Promise Healthcare.
- Surplus/Deficit – the budget summary shows a deficit budget of \$1,213,396, with a total fund balance of 34%. The Board of Health policy was established providing procedures to maintain a fund balance threshold of 25% as well as steps to be taken if a shortage should occur. Management will continue to evaluate and takes steps to avoid this, if at all possible.
- Fund Balance – As previously mentioned, a portion of the general fund balance has been set aside for building/capital improvements. As our fund balance has continued to exceed the fund balance target of 25% per our fund balance policy, and our cash flow continues to do well. The projected FY 2023 ending fund balance is estimated at 34% of budgeted expenditures.
- Other – CUPHD has been able to maintain a healthy fund balance with a consistently good cash flow. We will continue reviewing the budget on a month-to-month basis reducing expenditures as necessary.

It is very rewarding to prepare a budget focused on strategic goals, implement solid improvements into our processes, and financially plan for the future of a great organization. It was a pleasure to work with the District's Leadership Staff who all had valuable insight into the past and future of this organization. As a result, we are pleased to present to you for your consideration and approval the proposed budget for FY 2023.
