H1N1 Clinics This Week at CUPHD

*The Champaign-Urbana Public Health District is Holding
Walk-In H1N1 Clinics All Week*

Champaign, IL – The Champaign-Urbana Public Health District (CUPHD) is holding walk-in H1N1 vaccine clinics starting today thru Friday, November 20th. Clinics will run from 1:00 PM to 5:00 PM Monday thru Thursday and 1:00 PM to 7:00 PM on Friday.

The H1N1 clinics are being held for all persons 24 years of age or younger who need the initial vaccination or a booster shot, a secondary dose needed for those age nine and under. Parents bringing their children to the clinic for booster shots are asked to bring their vaccination card with them to be updated.

All clinics are on a walk-in basis and there are no residency requirements to receive the vaccine. The vaccination is free of charge.

For information on H1N1 or CUPHD services, visit us on-line at www.c-uphd.org. To receive updates on H1N1 information, become a fan of “Champaign County Prepares” on Facebook.
