

COVID-19 TESTING OPEN TO ALL

Covid-19 testing is available at the Market Place Shopping Center in Champaign. This is a free service that can be obtained without a doctor's referral, code, or appointment.

The IDPH & the testing site administration launched a new web link where people can register prior to going to the community based testing such as the one at the mall to help with the lines and makes the process more streamlined.

Community Based Testing Site Registration:

Take a picture with your phone to take you to the registration site.

- ▶ You do not need to be a Champaign County resident to use this service.
- ▶ Testing site is located at 2000 N. Neil St., Champaign in the parking lot on the East side of the mall - Enter through the South mall entrance off of Market Street.

**Site is open 8:00am - 4:00pm
(7 days a week while supplies last)**

Tests are now available for anyone, including individuals walking up to the site, and there is no limit to the number of tests one person is allowed to take.

- The test is quick and painless with a 10-15 second swab inside of each nostril.
- Champaign site uses a local laboratory & results are typically received within 24-48 hours.
- You will be called with results. You must answer the phone when receiving a call from an 888 number as no message will be left. When you receive verbal results over the phone you can request a paper copy to be sent to you.
