- Make sure everyone is wearing a mask.
- Do not allow people to touch items until they are ready to purchase them.
- Consider contactless delivery or shipping options.
- Consider using a mobile payments service to request money or pay for your items.
- For items you intend to sell:
  - Clean and disinfect any item you intend to sell before placing on a table for sale.
  - Clothing should be washed and dried before being sold.
- If you buy an item, make sure to clean it before bringing it into your home.
