Special Announcements

Effective January 1, 2009 all patients are required to have All Kids or Medicaid. Patients without insurance or who are underinsured are referred to a CUPHD All Kids Agent for assistance with obtaining All Kids or Medicaid as primary or secondary insurance.

The Champaign clinic has found it necessary to limit new patient visits to 6 per day in order to continue to provide follow-up appointments for patients of record and children who are seen at school clinics and require follow-up care. HFS requires a recall system for patients of record and requires timely follow-up appointments be made available to insure that all patients are receiving consistent care.

Upcoming Events

Infant and Toddler Fluoride Varnish Program

Student Interns from UIUC working on CRAYON research are available daily in the MCH/WIC reception area to talk with parents of infants and toddlers about proper oral care for their children. The students are trained to provide education regarding Early Childhood Caries and complete questionnaires with parents to screen for risk factors associated with ECC. Parents are given an age appropriate toothbrush for their child and information about CUPHD's Fluoride Varnish Program.

For more information about CRAYON please visit: www.kch.uiuc.edu/labs/crayon/default.htm

Additional Oral Health Education and Fluoride Varnish treatments are available to infants and toddlers participating in CUPHD's Maternal & Child Health WIC program. A hygienist is available on a walk-in basis two afternoons per month.

Parents are instructed in the proper care of their child's teeth while the hygienist screens for moderate to high risks of developing Early Childhood Caries and a fluoride varnish treatment if indicated after also being examined by a CUPHD dentist. The parent receives written instructions about how to care for their child's developing teeth and an age appropriate toothbrush. Written materials are available in English and Spanish.

2009 Dates:

January 28 & 29: 1 pm - 4 pm February 25 & 26: 1 pm - 4 pm March 24 & 25: 1 pm - 4 pm
April 21 & 22: 1 pm - 4 pm May 27 & 28: 1 pm - 4 pm

For more information about the benefits of fluoride varnish visit: <http://www.illinoisap.org/oralhealth.htm>

School Dental Visits

CUPHD Dental provides exams to children age K-8 in their schools using mobile dental equipment. Children who meet eligibility requirements also receive cleanings, sealants, and fluoride varnish treatments.

The following schools are scheduled for 2008-09

Champaign Schools:

March 2009 Board Report

The Urbana School Health Center (USHC) consists of a partnership of local agencies dedicated to the health and well being of children. Services provided at USHC are available to ALL students of the Urbana School District. Services are available during the child's school day, allowing for consistent, convenient, carefree medical, dental, and mental health services - from routine exams and procedures to acute care issues stemming from injuries or chronic disease conditions to counseling and wellness programs - USHC's community care approach ensures children the best care possible - away from home.

60% of the Urbana School District students are enrolled at the Urbana School Health Center.
 There are currently **3427** students enrolled in the program.

Advocacy Day 2009

Students and staff from the Urbana School Health Center traveled to Springfield for Advocacy Day on April 1st, 2009 organized by the Illinois Coalition for School Health Centers. Over 300 students from across the state joined in advocating for funding of Illinois School Health Centers. Urbana School Health Center is one of fifty state-wide. Urbana students were able to watch sessions of the Senate and House of Representatives. In addition, they had the exciting opportunity to meet and discuss student health centers with Senator Michael Frerichs and Representatives Naomi Jakobsson, Shane Cultra, and William Black.

Call today to make an appointment for medical, dental, or counseling:

The CUPHD Diabetes Program is funded in part by the Illinois Diabetes Prevention and Control Program (IDPCP) with a grant from the Center for Disease Control. In cooperation with U of I Extension Services a bimonthly newsletter is sent out to person with pre-diabetes or diabetes who have enrolled in the diabetes program. The statistics from their enrollment and yearly reviews help to form the picture of diabetes care in Champaign County, the state and the nation.

Special Events

Health Fair /Events:

On March 14, we participated in the Mt Olive Health Fair. Fifty people attended.
 March 21, we participated in the Glory Center Health Fair. Fifty people attended.
 On March 19, we participated in a Parent Workshop on Underage drinking at the Urbana Civic Center. There were 72 participants. we had diabetes information available.
 On March 28, we held a Kick Butts Day Family Wellness Fair, 50 people attended. A diabetes table and display was there.

Diabetes Outreach meetings

Three Diabetes outreach meeting were held, one at Round Barn, one at Washington Square, and our new site, Sunnycrest Manor. A total of 27 people participated.

Tobacco Programs

Project TNT is a 10 session program delivered in 5th grade classes. This program is different from most tobacco education curriculums in that it focuses on changing normative beliefs about the prevalence of tobacco use. Further, instead of just giving participants reasons not to use tobacco, it equips participants with decision-making skills as well as effective communication skills.

CU	# of times presented (Count complete programs, not sessions)		Total # of people served	24
County	# of times presented (Count complete programs, not sessions)	5	Total # of people served	115

Break the Habit is a partnership between the Illinois Tobacco Quitline and CUPHD. People interested in quitting can call the Quitline and get individual phone counseling from Addictions Specialists, and CUPHD issues nicotine patches based on what the Addictions Specialists suggests.

CU	# of times presented (Count complete programs, not sessions)	1	Total # of people served	2
County	# of times presented (Count complete programs, not sessions)	1	Total # of people served	2

NOT HERE is a tobacco sales compliance program. We notify all tobacco vendors that we will check for compliance. After we test the stores, we send congratulatory letters if they pass. We forward those who fail on to law enforcement, who does an official check for compliance. 3 times a year

CU	# of times presented (Count complete programs, not sessions)	2	Total # of people served	16
County	# of times presented (Count complete programs, not sessions)	0	Total # of people served	0

Hand Washing Education- age-appropriate hand washing education is provided to classrooms by request.

CU	# of times presented (Count complete programs, not sessions)	0	Total # of people served	0
County	# of times presented (Count complete programs, not sessions)	2	Total # of people served	315

Health Educators assisted with the Child Safety Seat Inspection Station, a program run through our Division of Maternal and Child Health

Times Assisted 3

Osteoporosis Prevention for Teens- Bone Up!- three session program for junior high and high school girls to teach them the importance of building bones now to prevent osteoporosis later. The girls learned the importance of calcium, and foods that hinder and help the absorption of calcium, and make plans to increase calcium. They learn to make healthy calcium-rich snacks and they get to try them. They also learn the importance of weight-bearing exercise and earn gear to assist them with increasing this activity.

We offer two sessions once a week for two weeks, and the third session one month later. This month 6 girls in Urbana completed the class, and 25 girls in Ludlow completed the class.

CATCH Programs Lucky Tray Day is offered to our partner CATCH schools. We send CUPHD staff, interns, and volunteers to schools at lunch. If the students are eating their GO foods, they get a raffle ticket. At the end of the day 3 students are selected to win prizes. Fitness Fridays/Moving Mondays are days that our CATCH schools ask students to move when told over the intercom. We also offer structured physical activities at recess

Schools currently participating in CATCH are:

	# of students
Dr. Howard Elementary, Champaign	488
Thomasboro Elementary, Thomasboro	202
Unity West Elementary, Tolono	410
Fisher Grade School, Fisher	318

SPECIAL EVENTS

Health Educators participated in several community events.

On March 6, we held a teacher training on teaching sexual health education. 5 educators attended.

On March 10, we held our first Central Illinois Asthma Partnership meeting, we have a diverse group of 9 attending.

On March 14, we presented Sexuality information to youth at a Health Fair at Mt. Olive Church. 9 youth attended.

On March 15, we participated in the St. Joseph Slim Down. 150 attended

On March 16, we held the first half of our CATCH training at Carrie Busey Elementary School.

On March 19, we participated in a Parent Workshop on Underage drinking at the Urbana Civic Center. There were 72 participants

On March 21, we attended the Savoy Curves Health Fair. There were about 25 people who attended.

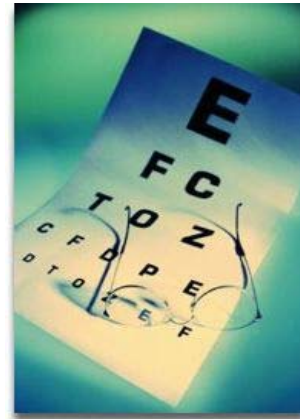

On March 27, we participated in the Family Fun Night at Unity West. Students played CATCH trivia, GO Food Bingo, and Dance Dance Revolution.

On March 28, we held a Kick Butts Day Family Wellness Fair, 50 people attended.

Champaign Urbana Public Health District's (CUPHD) Vision Cooperative offers eye exams and eye glasses to people who have Illinois Public Aid as their insurance. CUPHD Vision Cooperative staff act as the gatekeeper to a coalition of area optometrists and an ophthalmologist who have offered to be a part of this great program. By calling the Lens Line (217-531-5367) a person can receive access to an eye exam by one of the participating licensed eye professional provider and access to the CUPHD eye glass program.

Once a person receives an eye exam and a prescription for eye glasses, the Vision Cooperative schedules the person for eye glass fitting and selection. CUPHD has a wide selection of 49 different eye glass frames that are available in different colors. CUPHD Vision Cooperative is able to bill Illinois Public Aid for the eye glasses and lenses; therefore there is no cost to the client for the eye glass frames and lenses.

Illinois Breast and Cervical Cancer (IBCCP) contracts with local medical providers to provide free breast and cervical cancer screening for Illinois women ages 35-64 with no health insurance, Medicaid, or Medicare part B. The CUPHD IBCCP serves women from Champaign, McLean and Vermilion Counties. CUPHD IBCCP provides community outreach as well as educational materials and presentations throughout our service area to encourage all women to have their annual screenings done and to seek new client enrollment in order to provide uninsured screenings for women who would otherwise have no access to these services. Approximately 40% of the screening tests yield abnormal results requiring IBCCP medical case management and diagnostics services. While women under the age of 35 are not eligible for screening through this program, they may be eligible for medically indicated diagnostic services if referred by their medical provider. If diagnosed, eligible women are transferred into Medicaid for cancer treatment.

	*Champaign-Urbana	*Champaign County	McLean County	Vermilion County	Total
