Syphilis Cases Managed by CUPHD	0
Partners of Syphilis Patients Treated	0

Gonorrhea Elimination Project

In the project, CUPHD staff will follow up with all persons who test positive for gonorrhea in the communities of Champaign, Urbana, and Rantoul. Partner services will be offered to each individual and each of their partners will be contacted and offered testing and treatment for gonorrhea.

In April, **11 clients** were contacted for this service.

Communicable Disease*

- In April, one county resident received a diagnosis of chicken pox.
- One district resident and one county resident were diagnosed with Cryptosporidiosis.
- One county resident was diagnosed with Histoplasmosis.
- There were several reports of potential exposures to rabies and animals sent to the IDPH lab for testing. No positive rabies cases were diagnosed.
- The CD investigator worked in the District with an assisted-living facility due to an outbreak of upper respiratory symptoms. Control measures were implemented.
- Staff conducted a Bloodborne Pathogen workshop for Champaign County Childcare providers this month. There were 18 participants.
- Staff investigated a suspected case of measles in the district. The client was not infected.
- The CD investigator worked in the district with a day care facility due to an increased number of children with diarrheal disease. Control measures were implemented.

*This summary reflects cases diagnosed and closed in the reporting month.

TB Program

	<u>C-U</u>	<u>Champaign County</u>
Direct Observed Therapy (Active TB)	7	0
Monthly Visits (Latent TB)	12	1
Positive TB Skin Tests (CUPHD TB Clinic)	8	0
Pending Active Cases (DOT)	0	

In April, we conducted **114 TB Skin Tests**
 93 of these clients live in Champaign-Urbana
 21 in Champaign County
 0 in another county

TB TESTING/READS
Walk-in Clinic
Mon, Wed, Friday
8-4p

239-7827

The CUPHD TB Control Nurse works with each client who has a reactive TB Skin Test in a CUPHD clinic to ensure follow medical care. If the client does not have a physician, the TB Control Nurse coordinates the follow up with Frances Nelson.

Activities in the Community:

Center for Women in Transition:	1x testing & reading
A Woman's Fund:	1x testing & reading
TIMES Center	4x testing & reading
Salvation Army Shelter	4x testing & reading

Jail Project: *Check Out Healthy*

Check Out Healthy is a collaborative effort between the Champaign County Correctional Facility and The CUPHD Infectious Disease Division. “Check Out Healthy” is a transitional Case Management Program that offers pre-release support, free communicable disease screening, and discharge planning. The program is offered to all inmates who are HIV+, and those at an increased risk for becoming HIV+ who are housed at the Champaign County Correctional Centers.

“Check Out Healthy” offers all Champaign County Correctional Center inmates a brief, risk behavior assessment. Those identified as being at an increased risk for becoming infected with HIV (men who have sex with men, injection drug users, persons who use crack, methamphetamines, or heroin, persons who are homeless, persons who trade sex for money, drugs, or basic needs, and persons who are victims of domestic violence) will be offered free discharge planning services with referrals to the following community resources:

1. Prevention case management for risk behavior change
2. Housing resources
3. HIV case management
4. Health care
5. Mental Health Services
6. Harm Reduction Services
7. Substance Abuse Treatment/support
8. Methadone Maintenance Therapy
9. Support Groups
10. Domestic Violence Services
11. Employment resources
12. Educational programs

All inmates will be offered the following free communicable disease screening services provided by Champaign-Urbana Public Health District:

1. Urine testing for Chlamydia & gonorrhea (Inmates 25 years old and younger)
2. A blood test for:
 - a. Syphilis
 - b. HIV
 - c. Hepatitis C (for persons with history of injection drug use)
3. Vaccination for Hepatitis A & B (for persons with Hepatitis C or males with a history of sex with males).

	Number Tested/ Vaccinated		Number of Positive Tests
	Male	Female	
Chlamydia	8	3	2
Gonorrhea	8	3	0
Syphilis	19	9	1
HIV	19	9	0
Hepatitis C	0	2	1
Hepatitis Vaccines	4	1	
Referral to HIV Care Connect	0	0	

VOICES: In April, **13 clients** (12 African American, 1 white) attended the CDC recommended group prevention and support intervention “VOICES”. This is a one time group prevention session that uses a video to teach condom negotiation and use skills.

Juvenile Detention Center Outreach

Staff from CUPHD provides STD skill-based prevention education at the Champaign County Juvenile Detention Center at least one time each month. Urine screening for Chlamydia & Gonorrhea is offered to all of the youth.

In April, **12 clients** were tested for gonorrhea & Chlamydia; **0** were tested syphilis, **0** for HIV, and **0** for Hep C. 2 clients tested positive this month for Chlamydia and 1 for gonorrhea, (0 results still pending). Of those testing, 5 were African-American, 3 White, 4 Hispanic. 8 were male and 4 female.

Pregnancy Screening Project

6 women were tested for Gonorrhea and Chlamydia when seeking Pregnancy testing in April. Of those testing, 0 (0%) was positive for Chlamydia and 0 (0%) were positive for gonorrhea.

TIMES Center

Staff from the Division of Infectious Disease Prevention & Management is present at the TIMES Center from 7-7:30 am on Monday mornings to conduct TB Skin Testing and Wednesday mornings form 7-7:30 am to read the skin testing.

During the month of April, **23 clients** sought TB Skin Testing.

Stepping Stones, Salvation Army

Staff from the Division of Infectious Disease Prevention & Management is present at the TIMES Center from 7:30-8 am on Monday mornings to conduct TB Skin Testing and Wednesday mornings form 7:30-8am to read the skin testing

In April, **6 clients** received TB Skin Testing, **0 clients** were tested for HIV/Syphilis, **0** for gonorrhea/Chlamydia, and **0** received Hepatitis vaccinations.

Prostate Screening Project

During the month of April, **0 men** over 40 years old were screened through a blood test for Prostate Cancer. Staff conducted these tests through the STD Clinics and mobile outreach projects. We now charge \$15 to conduct this screening as grant funds no longer cover this service.

CUPHD MOBILE OUTREACH PROGRAM:

CUPHD Mobile (Champaign-Urbana, Champaign County)
