## Tobacco Programs

### Smoke Free Illinois compliance

Education/enforcement program for Smoke Free Illinois. We handle all the complaints from the state for Champaign County as well as those from our website. We help businesses to comply with the laws, and report to the State's Attorney's if they do not.

### Break the Habit

People interested in quitting can call the Quitline and get individual phone counseling from Addictions Specialists. We have transitioned Break the Habit to the Illinois Tobacco Quitline. If interested call 866-QUIT-YES (866-784-8937).

### Not Here

A tobacco sales compliance program. We notify all tobacco vendors that we will check for compliance. After we test the stores, we send congratulatory letters if they pass. We forward those who fail on to law enforcement, who do an official check for compliance 3 times a year.

### Freedom From Smoking

A 7-week, 8 session class that focuses on giving people who want to quit tools for success. Before the participants quit, they look at their habit, and reasons for wanting to be smoke-free, and develop an individual plan to quit. Patches are offered with this program.

### Tar Wars

A 3- session program delivered in 4th and 5th grade classes. This programs focus is on changing normative beliefs about the prevalence of tobacco use. Further, instead of giving participants reasons not to use tobacco, it equips participants with decision-making and effective communication skills. Through this program students get a chance to develop counter-marketing strategies.

## Events

Unity West students walked to Hollywood and back this year during recess, so we threw them a Hollywood party on June 2. Students walked the red carpet and dressed up like celebrities. (See picture above)

On June 6 Unity West held their Annual Fun Day Celebration. We brought Just Dance for them to keep moving even when they were inside.

The Art featured a viewing of Fed Up, a documentary on food, obesity, weight loss, and sugar. We were asked to sit on a discussion panel following the movie. Fifty people were present.

We presented for the Housing Authority on Smoke-Free Multi-Unit Housing.

We completed the CDC's School Health Index with two Urbana Schools.

We partnered with Safe Routes to School to offer a rodeo at Palying It Safe. Ninety-four children participated in our rodeo. They learned skills and bicycle safety, parents could see where they needed to continue to improve. See media news coverage at the link below.

## Illinois Breast & Cervical Cancer Program (IBCCP)

IBCCP contracts with local medical providers to provide free breast and cervical cancer screening for Illinois women ages 35-64 with no health insurance, Medicaid, or Medicare part B. The CUPHD IBCCP serves women from Champaign, McLean and Vermilion Counties. CUPHD IBCCP provides community outreach as well as educational materials and presentations throughout our service area to encourage all women to have their annual screenings done and to seek new client enrollment in order to provide uninsured screenings for women who would otherwise have no access to these services. Approximately 40% of the screening tests yield abnormal results requiring IBCCP medical case management and diagnostics services. While women under the age of 35 are not eligible for screening through this program, they may be eligible for medically indicated diagnostic services if referred by their medical provider. If diagnosed, eligible women are transferred into Medicaid for cancer treatment.
