# CUPHD Dental Program

Champaign-Urbana Public Health District's Champaign Dental Clinic provides a Dental Home for children with All Kids who are residents of Champaign or Urbana. Appointments are available Monday - Friday, 8am - 4pm with Emergency and Urgent Care appointments also available. Parents are encouraged to schedule dental visits after their child's first birthday. The clinic is staffed by a dentist and 2 hygienists, however, beginning February 1st the patient case load required that we increase to 2 dentists on Tuesdays and Thursdays.

# Urbana School Health Center Dental Program

Urbana School Health Center dental program sees children age 3-18 who are students in Urbana schools. Services include: cleanings, fluoride, x-rays, sealants, restorative care, and simple extractions. We see patients by appointment Monday through Friday, 8 a.m. to 4 p.m. Please call 217-239-4220 for an appointment.

Going to the dentist can be scary for little ones. Funny smells, strange noises and strangers poking around in their mouths can make the dental office an unfriendly place. The children & teens Dental Clinic at CUPHD strives to make the office a friendlier place with smiles, soothing voices and patient staff. But, having Captain America, Dora, Elsa, Dory & Nemo hanging around the office is really friendly. Each room has a familiar cartoon character to calm the jitters; an Ocean Room was recently created in hygienist Whitney Scheiwe's room, and her patients love it.

## Mobile Program/School Sealants

## Tobacco Programs

### Smoke Free Illinois compliance

Education/enforcement program for Smoke Free Illinois. We handle all the complaints from the state for Champaign County as well as those from our website. We help businesses to comply with the laws, and report to the State's Attorney if they do not.

<b>CU</b>	# of Complaints	0
<b>County</b>	# of Complaints	0

### Break the Habit

We have transitioned Break the Habit to the Illinois Tobacco Quitline. People interested in quitting can call the Quitline and get individual phone counseling from Addiction Specialists. If interested call 866-QUIT-YES (866-784-8937).

### Not Here

A tobacco sales compliance program. We notify all tobacco vendors that we will check for compliance with minimum age laws. After we test the stores, we send congratulatory letters if they pass, as well as notices of failure. This is in cooperation with local law enforcement. Vendors are checked for compliance 3 times per year.

## Events

Nutrition MCH intern, Briauna Pate, served a total of 10 children during her Kid's Corner nutrition class.

Jennifer Jackson attended a Parent Open House at Thomasboro grade School and served approximately 5 parents of students.

WHP welcomed two new interns from UIUC, Lexi Palacios and Rachel Simmons. They will be here until mid-December.

The National Junior Honor Society at JW Eater Jr. High School created a tobacco counter marketing billboard encouraging youth not to smoke as part of the REALITY Illinois program. (See picture above).

## Illinois Breast & Cervical Cancer Program (IBCCP)

IBCCP contracts with local medical providers to provide free breast and cervical cancer screening for Illinois women ages 35-64 with no health insurance, Medicaid, or Medicare part B. The CUPHD IBCCP serves women from Champaign, McLean and Vermilion Counties. CUPHD IBCCP provides community outreach as well as educational materials and presentations throughout our service area to encourage all women to have their annual screenings done and to seek new client enrollment in order to provide uninsured screenings for women who would otherwise have no access to these services. Approximately 40% of the screening tests yield abnormal results requiring IBCCP medical case management and diagnostics services. While women under the age of 35 are not eligible for screening through this program, they may be eligible for medically indicated diagnostic services if referred by their medical provider. If diagnosed, eligible women are transferred into Medicaid for cancer treatment.

## August 2016

Due to the acquisition of Peoria, Marshall, and Woodford (PMW) counties IBCCP outreach activities were limited so that we could focus on transitioning clients into our caseload for the new fiscal year. Distribution of IBCCP grocery totes was focused on food pantries at CUPHD. Some PMW provider contracts are pending. IBCCP presented a provider in-service to Heartland Community Health Care clinic. We passed out 237 IBCP fliers to the provider offices.

We continue to serve over caseload. Enrollment continues in an upward trend and re-enrollment remains high. We are discharging fewer than 5 women a month to Medicaid/ACA.
