Smoke Free Illinois compliance

Education/enforcement program for Smoke Free Illinois. We handle all the complaints from the state for Champaign County as well as those from our website. We help businesses to comply with the laws, and report to the State's Attorney if they do not.

Tobacco Enforcement Program

A tobacco sales compliance program. We notify all tobacco vendors that we will check for compliance with minimum age laws. After we test the stores, we send congratulatory letters if they pass, as well as notices of failure. This is in cooperation with local law enforcement. Vendors are checked for compliance 3 times per year.
