Low-Cost Rabies Vaccination Clinics

Join the Champaign County Medical Reserve Corp and the Champaign-Urbana Public Health District for a Fun and Educational Event

Champaign, IL – The Champaign County Medical Reserve Corps (CCMRC), Champaign-Urbana Public Health District (CUPHD), and the Association of Shelter Veterinarians have teamed up to host a low-cost rabies vaccination clinic and education event on Saturday, June 20, 2015. The event will be held at the Champaign-Urbana Public Health District located at 201 W. Kenyon Road in Champaign and the Rantoul Community Service Center located at 520 E. Wabash in Rantoul from 8:30 – 10:30 AM.

This event offers an opportunity for dog and cat owners who may not otherwise be able to provide vet care a more affordable option. The cost of the rabies vaccination plus the county registration fee ranges from \$15 - \$26. Up to 75 pre-registered individuals are guaranteed a spot. Walk-ins are welcome and will be seen after those who are registered.

The clinic will also provide education on diseases that pets can spread to humans. CCMRC provides outreach regarding such diseases, practices intake and vaccinations, and implements low-cost vaccination clinics to assist with community preparedness and resiliency.

To register for the clinic, go to: <https://www.surveymonkey.com/s/S2RRBPZ>.
