## **COVID-19 Vaccinations Now Available to Those Ages 6 Months to 4 Years Old**

### ***Child COVID Vaccination Clinics Available Starting This Week***

CHAMPAIGN, IL – The Champaign-Urbana Public Health District (CUPHD) will be hosting child COVID vaccination clinics beginning this week for those ages 6 months to 4 years old. Clinics will be held Thursday and Friday with both Pfizer and Moderna vaccine available.

The Centers for Disease Control and Prevention (CDC) is now recommending everyone 6 months of age and older be vaccinated for COVID-19. According to the CDC, children will receive a smaller dose of the COVID-19 vaccine than teens and adults that is the right amount for their age group.

Champaign-Urbana Public Health District – 201 W. Kenyon Road, Champaign

- June 23 – 24, 2022
- 8:30 a.m. – 4:00 p.m.
- Appointments will be required due to limited availability of both Pfizer and Moderna vaccine
- To sign up, visit: <https://www.signupgenius.com/go/60b054ca8a82ca5f94-child>

Additional first dose appointments will be available for those ages 6 months to 4 years old at the iHotel and Conference Center June 27 – 28, 2022. Additional details will be available later this week on our website: <https://www.c-uphd.org/covid-vaccinations.html>.

Additional information on COVID-19 vaccinations can be found at:

<https://www.cdc.gov/coronavirus/2019-ncov/vaccines/vaccines-children-teens.html>.
